7 report without your express authorization. A security freeze shall
8 be requested by sending a request either by certified mail,
9 overnight mail or regular stamped mail to a consumer reporting
10 agency, or as authorized by regulation. The security freeze is
11 designed to prevent credit, loans or services from being approved
12 in your name without your consent. You should be aware that
13 using a security freeze may delay, interfere with, or prevent the
14 timely approval of any subsequent request or application you
15 make regarding new loans, credit, mortgage, insurance, govern-
16 ment services or payments, rental housing, employment,
17 investment, license, cellular phone, utilities, digital signature,

20 When you place a security freeze on your consumer report,
21 within 5 business days of receiving your request for a security

23 personal identification number or password to use if you choose to
24 remove the freeze on your consumer report or to authorize the
25 release of your consumer report to a specific party or for a
26 specified period of time after the freeze is in place. To provide

27 that authorization, you must contact the consumer reporting
28 agency and provide the following:

29 (1) the personal identification number or password provided by
30 the consumer reporting agency;

31 (2) proper identification to verify your identity; and

32 (3) the third party or parties who are to receive the consumer
33 report or the specified period of time for which the report shall be
34 available to authorized users of the consumer report.

35 A consumer reporting agency that receives a request from a
36 consumer to lift a freeze on a consumer report shall comply with
37 the request not later than 3 business days after receiving the
38 request.

39 A security freeze shall not apply to a person or entity, or to its

41 entity, with which you have an existing account, that requests
42 information relative to your consumer report for the purposes of
43 reviewing or collecting the account, if you have previously given
44 consent to the use of your consumer report. "Reviewing the
45 account" includes activities related to account maintenance,
46 monitoring, credit line increases, and account upgrades and
47 enhancements."

1 SECTION 11. Said chapter 93, as so appearing, is hereby
2 further amended by inserting after section 62 the following
3 section:—

4 Section 62A. If a consumer requests a security freeze, the
5 consumer reporting agency shall disclose to the consumer the
6 process of placing, removing and lifting a security freeze. A
7 consumer reporting agency shall require proper identification of
8 the person making a request to place, lift or remove a security
9 freeze.

10 A consumer may request that a security freeze be placed on his
11 consumer report by sending a request to a consumer reporting
12 agency by certified mail, overnight mail or regular stamped mail
13 to an address designated by the consumer reporting agency to
14 receive such requests, or by a method otherwise permitted by
15 regulation. If a security freeze is in place, the information from a
16 consumer report shall not be released to a third party without prior
17 express authorization from the consumer. This section shall not

18 prohibit a consumer reporting agency from advising a third party
19 that a security freeze is in effect with respect to the consumer
20 report.

21 A consumer reporting agency shall place a security freeze on a
22 consumer report not later than 3 business days after receiving a
23 request from the consumer. The consumer reporting agency shall
24 send a written confirmation of the security freeze to the consumer
25 within 5 business days after receiving the request and shall
26 provide the consumer with a unique personal identification
27 number or a unique password, or both, to be used by the consumer
28 for the purpose of providing authorization for the removal or
29 lifting of the security freeze.

30 If the consumer wishes to lift a security freeze that is in place,
31 he shall contact the consumer reporting agency, request that the
32 freeze be lifted, and provide proper identification, the personal
33 identification number or password, or both, provided by the
34 consumer reporting agency, and the third party who is to receive
35 the consumer report or the specified period of time for which the
36 report shall be available to authorized users of the consumer
37 report.

38 A consumer reporting agency that receives a request from a
39 consumer to lift a security freeze on a consumer report pursuant to
40 this chapter shall comply with the request as soon as practicable
41 and without unreasonable delay, but under no circumstances not
42 later than 3 business days after receiving the request.

43 A security freeze shall remain in place until the consumer
44 requests that the security freeze be lifted or removed in
45 accordance with this section; provided, however, that a consumer
46 reporting agency may remove a security freeze if the consumer
47 report was frozen due to a material misrepresentation of fact. If a
48 consumer reporting agency intends to remove a freeze on a
49 consumer report due to a material misrepresentation of fact by the
50 consumer, the consumer reporting agency shall notify the
51 consumer in writing 5 business days prior to removing the freeze
52 on the consumer report.

53 While a security freeze is in place, a consumer reporting
54 agency shall not change any of the following official information
55 in a consumer report without sending a written confirmation of the
56 change to the consumer within 30 days of the change being posted

57 to the consumer report: name, date of birth, social security
58 number, and address. Written confirmation shall not be required
59 for technical modifications of information contained in a
60 consumer report, including name and street abbreviations,
61 complete spellings, or transposition of numbers or letters. In the
62 case of an address change, the written confirmation shall be sent
63 to both the new address and to the former address.

64 If a third party requests access to a consumer report on which a
65 security freeze is in effect, and this request is submitted in
66 connection with an application for credit or any other use, and the
67 consumer does not allow his or her consumer report to be
68 accessed for that specific party or for that specified period of time,
69 the third party shall treat the application as incomplete.

70 A consumer reporting agency shall remove a security freeze
71 within 3 business days of receiving a request for removal from a
72 consumer who provides both proper identification and the
73 personal identification number or password provided by the
74 consumer reporting agency pursuant to this section.

75 This section shall not apply to the use of a consumer report by
76 any of the following:

77 1) a person or agent thereof, or an assignee of a financial
78 obligation owing by the consumer to such person or agent
79 thereof, or a prospective assignee of a financial obligation
80 owing by the consumer to that person or agent thereof in
81 conjunction with the proposed purchase of the financial
82 obligation, with which the consumer has or had, prior to
83 assignment, an account or contract, including a demand
84 deposit account, or to whom the consumer issued a nego-
85 tiable instrument, for the purposes of reviewing the account
86 or collecting the financial obligation owing for the account,
87 contract or negotiable instrument. For purposes of this para-
88 graph, "reviewing the account" shall include activities
89 related to account maintenance, monitoring, credit line
90 increases and account upgrades and enhancements; or access
91 to said account by a subsidiary, affiliate, agent, assignee or
92 prospective assignee of a person, or agent thereof, to whom
93 access has been granted for purposes of facilitating the
94 extension of credit or other permissible use;

- 95 2) any federal, state or local agency, law enforcement agency,
96 or trial court acting pursuant to a court order, warrant or

- 102 5) the department of revenue or its agents or assigns acting to
103 investigate or collect delinquent taxes or unpaid court orders
104 or to fulfill any of its other statutory responsibilities;
- 105 6) a person using credit information for the purposes of
106 prescreening as provided for by the federal Fair Credit
107 Reporting Act;
- 108 7) any person administering a credit file monitoring subscrip-
109 tion service to which the consumer has subscribed;
- 110 8) any person acting solely for the purpose of providing a
111 consumer with a copy of his consumer report upon the
112 consumer's request; or
- 113 9) to the extent otherwise allowed by statute, any property and
114 casualty insurer licensed by the commonwealth for use in
115 rating or underwriting insurance policies.

116 Nothing in this chapter shall prevent a consumer reporting
117 agency from charging a reasonable fee, not to exceed \$5, to a
118 consumer who elects to freeze, lift or remove a freeze to a
119 consumer report, except that a consumer reporting agency shall
120 not charge a fee to a victim of identity theft or his spouse,
121 provided that the victim has submitted a valid police report
122 relating to the identity theft to the consumer reporting agency.

123 The following persons shall not be required to place a security
124 freeze on a consumer report:

- 125 1) a check services or fraud prevention services company,
126 which issues reports on incidents of fraud or authorizations for the

139 permanent database of credit information from which new con-
140 sumer reports are produced, except that such financial institution
141 or consumer reporting agency shall be subject to any security
142 freeze placed on a consumer report by another consumer reporting
143 agency from which it obtains information.

144 Notwithstanding any general or special law to the contrary, the
145 director of consumer affairs and business regulation, in consulta-
146 tion with the secretary of housing and economic development,
147 shall promulgate rules and regulations for the purpose of expe-

134 In addition to providing notice as provided herein, such person or
135 agency shall cooperate with the owner or licensor of such infor-
136 mation. Such cooperation shall include, but not be limited to,
137 informing the owner or licensor of the breach of security or

139 such incident and the nature thereof, and any steps the person or
140 agency has taken or plans to take relating to the incident, except
141 that such cooperation shall not be deemed to require the disclosure
142 of confidential business information or trade secrets, or to provide
143 notice to a resident that may have been affected by the breach of

186 use, and shall comply with all policies and procedures adopted by
187 that division pertaining to the reporting and investigation of such

190 a law enforcement agency determines that provision of such
191 notice may impede a criminal investigation and has notified the
192 attorney general, in writing, thereof and informs the person or
193 agency of such determination. If notice is delayed due to such
194 determination and as soon as the law enforcement agency deter-
195 mines and informs the person or agency that notification no longer
196 poses a risk of impeding an investigation, notice shall be
197 provided, as soon as practicable and without unreasonable delay.
198 The person or agency shall cooperate with law enforcement in its
199 investigation of any breach of security or unauthorized acquisition
200 or use, which shall include the sharing of information relevant to
